

Are you a **sales native** with drive and want to use your **technical background** in a meaningful way?

Become part of our **open & collegial sales team** and fulfill a **challenging & responsible role**

in the medical care industry.

## Sales Representative (f/m/d) Southern Europe

### YOU CAN EXPECT:

- B2B sales of a wide range of MedNet standard products as well as custom medical device components individually manufactured by our technical partners
- as part of our international sales team you will provide a key interface between our US based partners and our European customers
- to drive the growth of our projects, customers and markets

### WE EXPECT:

- a sales personality fluent in English and Italian or Spanish
- professional experience and understanding of medical technology applications
- networking skills, a sense of clients' needs and readiness to travel to build strong customer relationships

### YOUR BENEFIT:

- attractive results-oriented remuneration, 30 days of vacation, company car and IT package
- self-determined work with freedom to contribute own ideas and support of the German head office
- a German owned company with flat hierarchies and short decision-making paths

**APPLY NOW** including current CV & salary and we will get back to you soon!
